HOLGATE STREET CHURCH OF CHRIST

The Herald

It’s about Freedom!

The Fourth of July—also known as Independence Day has been a federal holiday in the United States since 1941. On July 2nd, 1776, the Continental Congress voted in favor of independence, and two days later delegates from the 13 colonies adopted the Declaration of Independence, declaring independence from British rule.

Freedom is what makes our country great. Why is it that so many are seeking to come here? It’s the freedom we experience.

However, the greatest freedom we have is in Christ.

We have been set free from sin; both from the penalty of sin and the power of sin. *“Through him everyone who believes is set free from every sin, a justification you were not able to obtain under the law of Moses” (Acts 13:39). “...anyone who has died has been set free from sin” (Romans 6:7)*

We have been freed to live a new life of love and service. *“You, my brothers and sisters, were called to be free. But do not use your freedom to indulge the flesh; rather, serve one another humbly in love.” (Galatians 5:13).*

Let’s celebrate the freedom we enjoy in this country and the freedom we know in Christ. - Jimmy Hurd
